

PROE

Programme régional océanien
de l'environnement

What is BRB?

- a searchable knowledge portal developed to support NISCs, IS practitioners, environment managers, and partners
- Follows the 2008 Regional Guidelines for IS management
- BRB upgraded and soft launched in February 2022
- Linked to the Virtual Library catalogue

Guidelines for Invasive Species Management in the Pacific

A Pacific strategy for managing pests, weeds and other invasive species

SPC Secretariat of the Pacific Community

SPREP Secretariat of the Pacific Regional Environment Programme

A new look, new feel, new touch!

BRB Key Features

1. A searchable catalogue of Invasives species resources

PROE

Programme régional océanien
de l'environnement

2. Pacific Invasive Species Battler Series

- provides guide to the latest information on invasive species, case studies, and introductory guides on common invasive species issues.
- 17 battler series to date

PROE

Programme régional océanien
de l'environnement

3. A browse by Country map
